CONFIDENTIAL

25X1 [REDACTED] LIAISON Called Pat Holt, Staff Director, Senate Foreign Relations Committee, before the session today with the Committee and raised with him whether he felt there was any problem of jurisdiction [REDACTED]

25X1A of the briefing in light of the Sergeant at Arms of the Senate capabilities in these areas and the fact that we are on their terrain. Holt said he had not given this subject any thought previously but he did not see any problem in our continuing this long-time practice that has been followed so successfully. I suggested that perhaps we might jointly see the Sergeant at Arms on this matter for the future and he thought this might be a good idea.

25X1 11. [REDACTED] FAA BRIEFING Accompanied the Director to a briefing of the Senate Foreign Relations Committee on the 10 August 1975 Presidential Finding. See Memorandum for the Record.

25X1 12. [REDACTED] LIAISON In the absence of Allan Katz, Legislative Assistant to Representative David Obey (D., Wis.), left for him a copy of an unclassified Arab boycott list with a note for Katz to call me.

25X1 13. [REDACTED] AGENCY VISIT Bill Hogan, Counsel, House Armed Services Committee, called in follow up of the discussion before the Intelligence Subcommittee on Monday and the Director's invitation for the Subcommittee, and particularly the new members, to visit Agency Headquarters so that they would be briefed on Agency activities and the current allegations. Chairman Nedzi (D., Mich.) requested that we suggest an agenda for a full day session and a half day session which we have underway. He also asked that we provide page size copies of the charts used in Monday's briefing comparing the size of missiles. Ev Hineman, DDS&T, has been advised.

25X1 14. [REDACTED] LIAISON Jack Ticer, Chief Clerk, Senate Armed Services Committee, called and requested the 26 June 1972 transcript of Director Helms' testimony before the Committee. I told Ticer the transcript would be up to him first thing in the morning.
